December 5, 2005.

P.C. :

Since the structure has admittedly been demolished and the Motion was for an injunction restraining the Municipal Corporation from demolishing the suit premises, the Appeal from Order does not survive. However, while disposing of the appeal, it is clarified that it would be open for the appellant to move the Trial Court for appropriate orders.

In view of the disposal of the appeal, the Civil Application does not survive and is accordingly disposed of.
